The latest issue of The [Marketplace, July 2015](#), is available for download. In it you'll find a study about packaging at material recovery facilities, the market prognosis for recyclable materials and current prices for recycled goods... [Continue reading](#)

### **SNIPS**

Not all news needs to be covered through an extended article. But it is still important that you know about activities and decisions that may affect your business, communities and families. To help keep you informed, the Division of Compliance Assistance (DCA) routinely compiles a short listing of state and federal topics that we call SNIPS. If you have...[Continue reading](#)
